**Prescriptions and orders from outside providers are accepted*

My BuckMD

Your secure health portal while on campus. Check your Ohio State email for activation link.

Once you have uploaded your health insurance information and card, you will be able to:

- Schedule, cancel and view appointments
- Send and receive secure messages from your health provider
- View and print laboratory results, immunization history and appointment summaries

Understand Your Health Insurance Coverage

Student Health Services is a fee-for-service healthcare facility. We will attempt to bill the insurance plan you provide us. Co-pays, deductibles and charges not covered by insurance will be your responsibility.

Student Health Services is in contract with several of the large insurance companies, however it is important you understand your health insurance benefits.

Call your insurance provider to verify Student Health Services is an in-network provider.

Tax ID#: **316025986**
NPI#: **1942274410**
